Call Me by Your Name Available in English for the first time—the internationally bestselling graphic novel and an Official Selection at France's prestigious Angoulême Internaional Comics Festival by master illustrator-storyteller Chabouté (Park Bench, Moby-Dick). On a tiny lighthouse island far from the rest of the world, a lonely hermit lives out his existence. Every week a supply boat leaves provisions, its occupants never meeting him, never asking the obvious questions: Who are you? Why do you hide? Why do you never leave? What is it like to be so alone? Years spent on a deserted rock—a lifetime, really—with imagination his sole companion has made the lighthouse keeper something more than alone, something else entirely. For him, what lies beyond the horizon might benothing. And so, why not stay put? But one day, as a new boatman starts asking the questions all others have avoided, a chain of events unfolds that will irrevocably upend the hermit’s solitary life. Filled with stunning and richly executed black-and-white illustrations, Alone is Chabouté’s masterpiece—an unforgettable tale where tenderness, despair, and humor intertwine to flawlessly portray how someone can be an everyman, and every man is someone. Translated from the French by Ivanka Hahnenberger.

Call Me by Your Name From Newbery Medal honoree and #1 New York Times bestselling author Jason Reynolds comes a hilarious, hopeful, and action-packed middle grade novel about the greatest young superhero you've never heard of, filled with illustrations by Raúl the Third! Portico Reeves's superpower is making sure all the other superheroes—like his parents and two best friends—stay super. And safe. Super safe. And he does this all in secret. No one in his civilian life knows he's actually...Stuntboy! But his regular Portico identity is pretty cool, too. He lives in the biggest house on the block, maybe in the whole city, which basically makes it a castle. His mom calls where they live an apartment building. But a building with fifty doors just in the hallways is definitely a castle. And behind those fifty doors live a bunch of different people who Stuntboy saves all the time. In fact, he's the only reason the cat, New Name Every Day, has nine lives. All this is swell except for Portico's other secret, his not-so-super secret. His parents are fighting all the time. They're trying to hide it by repeatedly telling Portico to go check on a neighbor “in the meantime.” But Portico knows “meantime” means his parents are heading into the Mean Time which means they're about to get into it, and well, Portico's superhero responsibility is to save them, too—as soon as he figures out how. Only, all these secrets give Portico the worry wiggles, the frets, which his mom calls anxiety. Plus, like all superheroes, Portico has an arch-nemesis who is determined to prove that there is nothing super about Portico at all.

Movies Are Prayers A LUSHLY ROMANTIC NOVEL FROM THE AUTHOR OF CALL ME BY YOUR NAME Eight White Nights is an unforgettable journey through that enchanted terrain where passion and fear and the sheer craving to ask for love and to show love can forever alter who we are. A man in his late twenties goes to a large Christmas party in Manhattan where a woman introduces herself with three words: "I am Clara." Over the following seven days, they meet every evening at the same cinema. Overwhelmed yet cautious, he treads softly and won’t hazard a move. The tension between them builds gradually, marked by ambivalence, hope, and distrust. As André Aciman explores their emotions with uncompromising accuracy and sensuous prose, they move both closer together and farther apart, culminating on New Year’s Eve in a final scene charged with magic and the promise of renewal. Call Me by Your Name, Aciman's debut novel, established him as one of the finest writers of our time, an expert at the most sultry depictions of longing and desire. As The Washington Post Book World wrote, "The beauty of Aciman's writing and the purity of his passions should place this extraordinary first novel within the canon of great romantic love stories for everyone." Aciman’s piercing and romantic new novel is a brilliant performance from a master prose stylist.

Harvard Square: A Novel

Taste "So candid, so penetrating and so beautifully written that it can make you feel cut open, emotionally exposed." —Sam Sacks, Wall Street Journal Harvard Square is the elegant and sexually charged story of a young émigré grad student, a Jew from Egypt, who meets a brash, magnetic Arab taxi driver—and how their friendship tests his loyalties and throws his life in America into doubt. André Aciman's writing has been hailed by Colm Tóibín as "fiction at its most supremely interesting," and here Aciman delivers a powerful tale of identity and the wages of assimilation.

Call Me by Your Name A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In Everything Is Cinema, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with Breathless, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. Everything Is Cinema confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

Queer Eye Anthony Lane on Con Air— “Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on The Bridges of Madison County— “I got my copy at the airport, behind a guy who was buying Playboy’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on Martha Stewart— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody’s Perfect is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar.

as an affair with an older man intensifies, his thoughts turn to the past and to Oliver. Oliver, a college professor, husband and father, is preparing to leave New York. The imminent trip stirs up longing and regret, awakening an old desire and propelling him towards a decision that could change everything. Call Me by Your Name A New York Times Bestseller In this spellbinding exploration of the varieties of love, the author of the worldwide bestseller Call Me by Your Name revisits its complex and beguiling characters decades after their first meeting. No novel in recent memory has spoken more movingly to contemporary readers about the nature of love than Andrée Aciman’s haunting Call Me by Your Name. First published in 2007, it was hailed as “a love letter, an invocation . . . an exceptionally beautiful book” (Stacey D’Erasmo, The New York Times Book Review). Nearly three quarters of a million copies have been sold, and the book became a much-loved, Academy Award-winning film starring Timothée Chalamet as the young Elio and Armie Hammer as Oliver, the graduate student with whom he falls in love. In Find Me, Aciman shows us Elio’s father, Samuel, on a trip from Florence to Rome to visit Elio, who has become a gifted classical pianist. A chance encounter on the train with a beautiful young woman upends Sami’s plans and changes his life forever. Elio soon moves to Paris, where he, too, has a consequential affair, while Oliver, now a New England college professor with a family, suddenly finds himself contemplating a return trip across the Atlantic. Aciman is a master of sensibility, of the intimate details and the emotional nuances that are the substance of passion. Find Me brings us back inside the magic circle of one of our greatest contemporary romances to ask if, in fact, true love ever dies.

Later Essays on memory by the author of Our of Egypt “We remember not because we have something we wish to go back to, nor because memories are all we have. We remember because memory is our most intimate, most familiar gesture. Most people are convinced I love Alexandria. In truth, I love remembering Alexandria. For it is not Alexandria that is beautiful. Remembering is beautiful.” Celebrated as one of the most poignant stylists of his generation, André Aciman has written a witty, surprising series of linked essays that ponder the experience of loss, moving from his forced departure from Alexandria as a teenager, through his brief stay in Europe, and finally to the home he’s made (and half invented) on Manhattan's Upper West Side.

In his memoir, Kevin Sessums brings to life the pungent American south of the 1960s and the world of the strange little boy who grew there. The Talented Mr. Ripley Fandom and first love collide in in this joyful, feminist contemporary romance from acclaimed author Cori McCarthy—perfect for fans of Rainbow Rowell and Ashley Poston Iris Thorne wants to blaze her own path. And with a major motion picture adaptation of her grandmother's books in the works, Iris can say goodbye to her dream of making her own way in the music industry. When Iris and her brother get invited to the film set in Ireland, she's pretty sure the trip will be a
nightmare. Except Iris can't deny the rugged beauty of the Irish countryside. And brushing shoulders with the hot, young cast isn't awful, especially the infuriatingly charming lead actor, Eamon O'Brien. Iris even finds the impassioned female director inspiring. But when the filming falls into jeopardy, everything Iris thought she knew about Elementia—and herself—is in question. Will making a film for the big screen help Iris to see the big picture?

Mississippi Sissy A passionate portrait of love's contradictory power, in five illuminating stories Andre Aciman, who has been called “the most exciting new fiction writer of the twenty-first century” (New York Magazine), has written a novel in Enigma Variations that charts the life of Paul whose loves remain as consuming and covetous throughout adulthood as they were in adolescence. Whether in southern Italy, where as a boy he has a crush on his parents' cabinet maker, or on a snowbound campus in New England, where his enduring passion for a girl he'll meet again and again over the years is punctuated by anonymous encounters with men; on a tennis court in Central Park, or a sidewalk in early spring New York, his attachments are ungraspable, transient and forever underwritten by raw desire—not for just one person’s body but, inevitably, for someone else's as well. In mapping the most inscrutable corners of desire, Aciman proves to be an unsparing reader of the human psyche and a master stylist of contemporary literature. With language at once lyrical, bare-knuckled, and unabashedly candid, he casts a sensuous, shimmering light over each facet of desire to probe how we ache, want, and waver, and ultimately how we sometimes falter and let go of those who may want only to offer what we crave from them. Behind every step the hero takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love always casts its luminous halo. We may not always know what we want. We may remain enigmas to ourselves and others. But sooner or later we discover who we've always known we were.
